Bachelor of Science in Construction Management- AAS Transfer Option

College of Engineering & Technology / Department of Construction Management

The B.S. Construction Management- AAS Transfer Option is a bachelor’s degree completion program for students who have completed a relevant technical degree at the community college. To be eligible for the AAS Transfer Option, students must first meet all requirements and gain admission to East Carolina University from the Office of Undergraduate Admissions. Students must submit transcripts demonstrating successful completion of an Associates in Applied Science degree from a North Carolina Community College in one of the following areas:

1. **Building Construction Technology (A35140)**
2. **Architectural Technology (A40100)**
3. **Civil Engineering Technology (A40140)**
4. **Construction Mgmt Technology (A35190)**
5. **Sustainability Technologies (A40370)**

Upon admission to the Construction Management AAS Transfer Option, 27 semester hours of introductory coursework in the major will be waived and students will be required to complete the remaining 40 semester hours of advanced CMGT coursework.

In addition to the required CMGT courses, students are required to meet all Major Cognate and General Education requirements. Transfer of these courses will be determined based on individual course equivalency as set forth by the North Carolina Comprehensive Articulation Agreement and the University Registrar.

This program allows students to complete a Bachelor of Science degree in Construction Management in as few as four semesters. The specific number of credits required to graduate will be determined based on each student’s individual transcript.

To graduate with a Bachelor’s degree, students must earn minimum 30 semester hours from East Carolina University and minimum 60 semester hours from a senior college.

Visit our Construction Management website for more information. To inquire about ECU admission, tuition, financial aid, housing, and campus tours, please visit ECU’s website at www.ecu.edu.

Required Coursework (2023-2024 catalog)

93 semester hours

Course Category	Hours
Core Courses:	40 sh
CMGT 2700, 2701 Soils and Foundations	
CMGT 3010 Construction Modeling and Information Technology	
CMGT 3500 Construction Contracts and Specifications	
CMGT 3710, 3711 Infrastructure & Highway Materials	
CMGT 4000 Construction Estimating I	
CMGT 4010 Construction Estimating 2	
CMGT 4100 Construction Planning and Scheduling	
CMGT 4200 Construction Scheduling and Cost Control	
CMGT 4300 Construction Quality & Human Resource Mgmt (WI)	
CMGT 4320 Global Sustainable Construction (WI)	
CMGT 4340 Construction Economics	
CMGT 4380 Equipment Management	
CMGT 4400 Construction Capstone	
CMGT 4500 Professional Development	
Major Cognates	13 sh
ACCT 2101 Survey of Fin & Mgmt Accounting	
FINA 2244 Legal Environment of Business	
MATH 2283 Statistics for Business	
MGMT 3202 Fundamentals of Management	
GEOL 1501 Dynamic Earth Lab	
General Education	40 sh
English (6 hours)	
ENGL 1100 Foundations of College Writing	
ENGL 2201 Writing About the Disciplines	
Health and Exercise Science (3 hours)	
HLTH 1000 Health in Modern Society	
KINE 1000 Lifetime Physical Activity and Fitness Lab	
Humanities/Fine Arts (9 hours)	
COMM 2020 Fundamentals of Speech or 2410 Public Speaking	
6 hours Humanities/Fine Arts electives	
Science/Math (10 hours)	
MATH 1065 College Algebra or MATH 1066 Applied Math	
GEOL 1500 Dynamic Earth	
PHYS 1250/1251 General Physics with Lab	
Social Science (9 hours)	
ECON 2113 Principles of Microeconomics	
ECON 2133 Principles of Macroeconomics	
3 hour Social Science elective	
General Education Elective (3 hours)	
Non-Credit Requirements	
500 Hour CMGT Work Experience
