

## Center for Sustainability's Tour of the UNC Coastal Studies Institute February 6<sup>th</sup>, 2018

The ECU Center for Sustainability (CfS) arranged a tour of the UNC Coastal studies institute (CSI) on February 6<sup>th</sup>, 2018. Seven CfS affiliate faculty visited the CSI campus and research facilities at Wanchese, NC and facilities at Jennette's Pier, Nags Head, NC to learn about the work being done at CSI. While there, the CfS affiliate faculty and CSI staff discussed the possibilities for future collaborative research efforts between CfS and CSI.

The Center's affiliate faculty touring the Coastal Studies Institute and being presented with the research work being done at the CSI. While visiting CSI the Center's affiliate faculty were also given a tour of Jennette's pier
