

Vice Chair of the SAE International Sustainable Development Program Committee

CSE3 director, Dr. Tarek Abdel-Salam, is currently serving as the Vice Chair of the SAE International Sustainable Development Program Committee. He is also the conference session organizer and the conference session chair for the following SAE events.

As Conference Session Organizer, Dr. Abdel-Salam organized/will organize the following conference sessions:

- High Efficiency IC Engines Concepts, Society of Automotive Engineers, SAE WCX World Congress Experience, Detroit, April 2020.
- Sustainable Development for Automotive Industry, Society of Automotive Engineers, SAE WCX World Congress Experience, Detroit, April 2020.
- Fuel Injection and Sprays, Society of Automotive Engineers, SAE WCX World Congress Experience, Detroit, April 2020.
- Energy Efficiency of Thermal Systems, Society of Automotive Engineers, SAE WCX World Congress Experience, Detroit, April 2020.
- Diesel Spray, JSAE/SAE, the 2019 JASE/SAE Powertrains, Fuels and Lubricants International Meeting, August 2019, Kyoto, Japan.
- Advances in Alternative Energy Sources for Sustainable Development in the Transportation Sector, Society of Automotive Engineers, SAE WCX World Congress Experience, Detroit, April 2019.
- Fuel Injection and Sprays, Society of Automotive Engineers, SAE WCX World Congress Experience, Detroit, April 2019.
- Energy Efficiency of Thermal Systems, Society of Automotive Engineers, SAE WCX World Congress Experience, Detroit, April 2019.
- Powertrain Thermal Management, Society of Automotive Engineers, SAE 2019 International Powertrains, Fuels & Lubricants Meeting – January 2019, San Antonio, Texas.
- Alternative and Advanced Fuels, Society of Automotive Engineers, SAE 2019 International Powertrains, Fuels & Lubricants Meeting – January 2019, San Antonio, Texas.

As Conference Session Chair, Dr. Abdel-Salam served as a chair of the following conference sessions:

- Advances in Alternative Energy Sources for Sustainable Development in the Transportation Sector, Society of Automotive Engineers, SAE WCX World Congress Experience, Detroit, April 2019.
- Fuel Injection and Sprays, Society of Automotive Engineers, SAE WCX, Detroit, April 2019.
