

AIAA Green Engineering Technical Discipline Chair

CSE3 director, Dr. Tarek Abdel-Salam, served as the AIAA Green Engineering (GEPC) Technical Discipline Chair (TDC) and as the AIAA Terrestrial Energy Systems Technical Committee Co- TDC of the 2020 AIAA SciTech Conference, Orlando, FL, January 2020. He is also the conference session organizer and the conference session chair for the following AIAA events.

As Conference Session Organizer, Dr. Abdel-Salam organized/will organize the following conference sessions:

- Terrestrial Energy Systems, AIAA SciTech Conference, Orlando, FL, January 2020.
- Green Engineering, AIAA SciTech Conference, Orlando, FL, January 2020.
- Green Engineering, 2019 AIAA SciTech Conference, San Diego, CA, January 2019.

As Conference Session Chair, Dr. Abdel-Salam served as a chair of the following conference sessions:

- Thermal and Fluid Behavior in Power Systems, AIAA Science and Technology forum and Exposition, January 2020, Orlando, FL.
- Green Engineering, AIAA Science and Technology forum and Exposition, January 2020, Orlando, FL.
- Combustion Modeling, Alternative Fuels, and Thermal Management in Terrestrial Energy Systems, AIAA Science and Technology forum and Exposition, January 2020, Orlando, FL.
- High-Speed Combustion I, AIAA Science and Technology forum and Exposition, January 2020, Orlando, FL.
- Hybrid and Green Propulsion, AIAA Science and Technology forum and Exposition, January 2020, Orlando, FL.
- Green Engineering, The AIAA Science and Technology forum and Exposition, January 2019, San Diego, CA.
- Numerical Analysis of Scramjet Engines, The AIAA Science and Technology forum and Exposition, January 2019, San Diego, CA.
