ECU SUSTAINABLE ENERGY AND ENVIRONMENTAL ENGINEERING

MANAGING ENVIRONMENTAL DATA

📅 2:00 PM to 3:00 PM EST TIME
22 JANUARY, 2025

Presented by:

Myrna Pacheco
Environmental Engineer
at Avient

Join us to explore how to effectively gather, analyze, and manage environmental data in industrial environments. Learn why tracking metrics like emissions, waste, and energy use is essential for regulatory compliance, sustainable operations, and cost savings.
