

Batt Masterson

Batt Masterson is employed by Keihin Carolina System Technology (KCST) in Tarboro, NC where he has held various positions within the Engineering Department since 1997 and currently serves as the Senior Manager of Technical Operations. KCST is a subsidiary of Keihin Corporation based in Tokyo, Japan. Keihin has 32 locations on 4 continents and is a manufacturer of integrated systems for the automotive, motorcycle, and small engine industries. KCST was established in 1997 to specialize in the manufacturing of automotive electronics for Engine Control, All Wheel Drive Control, and Active Motor Mount Control. KCST greatly appreciates their partnership with East Carolina University and benefits from the Capstone program, Internship opportunities, along with employing many ECU graduates.

Batt attended Indiana State University in Terra Haute, IN where he earned his B.S. degree in Computer Hardware Technology.
