

Mike Putnam

Mike Putnam serves as President and CEO of Sequence, Inc., a quality and compliance consulting firm serving many of the world's largest drug and medical device manufacturers. Mr. Putnam began his career in Greenville, NC with contract drug manufacturer Catalytica Pharmaceuticals (now DSM Pharmaceuticals). In his role with Catalytica/DSM, he led regulatory testing initiatives for enterprise IT applications, laboratory instrumentation, process automation, and production equipment systems. In 2002, he founded Sequence, Inc. as a way to provide high-caliber consultants to assist manufacturers in complying with increasingly complex regulatory requirements. Since inception, Sequence, Inc. has emerged as a leader in its field serving clients worldwide. Mr. Putnam joined the Industry Advisory board in 2013 to give back to the university and help students gain a marketable education. Mr. Putnam attended East Carolina University where he earned his B.S. degree in Industrial Technology (Manufacturing concentration) in 1998 and M.S. degree in Industrial Technology (Digital Communications concentration) in 2001. He resides in Raleigh, NC with his wife Rebecca and sons Grayson, Chase, and Cohen.
